

Dear Contest Director,

We promise to compete in the 2024 ICPC Asia Taiwan Online Programming Contest with honesty and integrity. During the contest, we shall comply with the following rules.

1. No machine-readable materials (e.g., source codes, templates, etc.) are allowed. However, paper-based materials, such as textbooks, dictionaries, printed notes, etc., are permitted.
2. Contestants are only allowed to contact their teammates during the contest. Contestants shall not discuss with their coach and other teams.
3. Contestants shall only access the internet to download the problem description, submit source codes, request problem clarification, and check the scoreboard. Any other type of internet access is prohibited.
4. A team shall not simultaneously use more than one computer to write programs during the contest. In addition, contestants shall not use any other type of electronic devices, except extra monitors and printers.
5. All malicious actions disturbing the contest are prohibited.
